How often have you said, "Try this restaurant because it is simply the best"?

In that vein, hundreds of readers have shared — to borrow from Julie Andrews in "The Sound of Music" — a few of their favorite things.

For the eighth year, the Leominster

Champion asked you to give your choices for favorite clothing store, restaurant, pet store, florist, bank and even your favorite place for a cup of coffee, all collected here for our Readers' Choice Awards.

If your choices aren't included here, keep in mind that you can share them next year.
